The Contra Costa County Health Department has ordered individuals in Contra Costa County to “shelter in place”. The California Department of Public Health issued its “Mass Gatherings Guidance on Novel Coronavirus or COVID-19” followed by a recommendation that certain gatherings in California be postponed or canceled. The Governor of the State of California issued Executive Order N-25-20 which, among other things, orders that all California residents are to “. . . heed any orders and guidance of state and local public health officials, including but not limited to the imposition of social distancing measures, to control the spread of COVID-19” and pursuant to Executive Order N-33-20 has ordered all individuals in California to stay home or at their place of residence with very limited exceptions. That means residents must obey State, County, and City of Concord rules and guidelines.

City of Concord Rules: The City of Concord has declared a local state of emergency due to COVID-19 and is closed to the public. This Committee meeting is an essential event; therefore, it has not been cancelled. However, City of Concord officials and staff will conduct this meeting telephonically or otherwise electronically. The City will **not** make available any physical location from which members of the public may observe the meeting and offer public comment. Instead, members of the public may observe and address the meeting remotely. Below is information on how to do that.
