

Contra Costa Mosquito and Vector Control District

The Concord City Council appoints a representative to serve on the Board of Trustees for the Contra Costa Mosquito and Vector Control District.

Contra Costa Mosquito and Vector Control is a public health agency that strives to keep the public healthy by preventing the transmission of diseases and improving the quality of life! Consistently at the forefront of mosquito and vector control, CCMVCD has added programs over the years to meet the needs of county residents. Programs and services are available for yellowjackets, Africanized honey bees, ticks, rats, mice, skunks, mosquitoes, and West Nile virus. Additional information regarding this District is available at www.ccmvcd.dst.ca.us.

The Board of Trustees are officials appointed by their respective city councils to govern the Mosquito and Vector Control District knowledgeably and effectively. They serve without compensation for a term of two to four years and are dedicated to this community service. The regular business meetings are held on the second Monday of every other month starting in January. Meetings are held at the District's administrative offices, 155 Mason Circle, Concord at 7:00 p.m. The meetings are open to the public.

Persons interested in serving on this advisory body may obtain an application by calling the Concord City offices at 671-3495. Applications should be completed and returned to:
