Subject: **Considering acceptance of improvements for the Traffic Signal Head Retrofit Project, and directing the City Clerk to file a Notice of (Funded by Gas Tax, Measure Q, and Measure J Local funds).**

Report in Brief

On September 13, 2016 the City awarded a contract to DC Electric Group Inc. to replace 8-inch traffic signal indications with 12-inch indications at various signalized intersections throughout the City. Traffic Signal Indications are the red, yellow and green lights that compose a traffic signal. The work was satisfactorily completed as of March 6, 2017.

Recommended Action

Accept the improvements for the Traffic Signal Head Retrofit Project, and direct the City Clerk to file a Notice of Completion.

Background

The City Council approved the Traffic Signal Head Retrofit Project - PJ No. 2312 (project) when it adopted the FY 2014-2015 Capital Improvement Program (CIP) 10-Year Plan. The project was created to replace 8-inch traffic signal indications in the City with 12-inch indications. Phase I of this program replaced indications at twelve city intersections and was completed in 2015. DC Electric Group Inc. was awarded a contract for Phase II (the final phase of this project) on September 13, 2016 in the amount of \$109,615. Phase II of the project replaced 8-inch traffic signal indications with 12-inch indications at the following locations:
