

**Concord**  
**Commission on Aging**  
**2010-11**  
**WORK PLAN**

**1. Provide Community Outreach and Education**

Support communication between senior citizens through public, private organizations and other advisory bodies. Communicate with seniors on subjects relevant to living as a senior in the City of Concord.

**Promote COA at community events (when appropriate)**

Farmer's Market, Concert in the Park, Healthy LifeStyle and Resource Fair  
Concord Library Display on senior events or issues  
Support Senior Center Events:  
Provide speakers on senior issues to COA meetings as needed

**Maintain and continue development of Liaison Groups – (All)**

Review Liaison List annually  
Meet with liaison group and survey seniors as needed  
Promote programs provided at the senior center  
Share COA projects and resources and discuss issues and concerns with liaison groups  
Provide a report at COA meetings

**Attend City of Concord Commission and Board Meetings, County and other relevant meetings on senior related issues –**

Parks and Open Space  
Planning, and Design Review Board

**Vial of Life project**

Sustain funding source to provide vials to the community

**COA brochure**

Review and update as needed.

**2. Research and develop strategies to address Senior Transportation Needs**

Transportation for seniors has been identified by the City of Concord and the County as a major concern for seniors. The Commission will identify and support viable transportation projects.

Advocate and support the CCC Mobility Management concept and action plan.  
Promote and support the CCC Older Driver Program.  
Work with other agencies and advocacy group in developing policies, funding and transportation services at the City, County, regional and State levels.

**3. Promote volunteerism to fulfill the needs within the community.**

Identify agencies and programs and recruit volunteers to serve seniors living in Concord.
