

# Application Instructions

## “ENCROACHMENT, GRADING, SEWER CONNECTION, UTILITY” PERMIT

The “Encroachment” application type is required for any work within the City’s right-of-way.

The “Grading” application type is required for any earth moving over 50 cubic yards.

The “Sewer Connection” application type is required for new and changed sewer connections, both residential and commercial.

The “Utility” application type is required for all utility encroachments for utility companies that have an existing billing account with the City of Concord.

### START YOUR APPLICATION

1. Go to Online Permit Portal at <https://aca.accela.com/CONCORD>
2. You must “Register for an Account” and “Login” in order to create applications. When registering your account **be sure to include your phone and email information** as this will be used to contact you regarding your permits.

3. Select the “Engineering” application type.

4. Select "Create an Application".

## WORK LOCATION

1. Search by Address OR Parcel number for the location the requested work will take place. Enter the info and select "Search".

**Address**

Street No.: 1950    Direction: --Select--    Street Name: p    Street Type: --Select--

City:    State: --Select--    Zip:

**Search**   **Clear**

**Parcel**

\* Parcel Number:

**Search**   **Clear**

2. The Address, Parcel, and Owner information will auto-populate. Verify the selected location information is correct, then at the bottom of the page select "Continue Application."

**Address**

Street No.: 1950    Direction: --Select--    Street Name: PARKSIDE    Street Type: DR

City: CONCORD    State: CA    Zip: 94519

**Search**   **Clear**

**Parcel**

\* Parcel Number: 111240014

**Search**   **Clear**

**Owner**

Owner Name: ?  
CONCORD CITY OF

Address:  
1950 PARKSIDE DR

City: CONCORD    State: CA    Zip: 94519

Phone:    E-mail:

**Search**   **Clear**

**Continue Application »**

\*The address section is not required to be filled in, as some "Utility" and "Encroachment" permits might not be for a specific address.

## CONTACT INFORMATION

1. You must fill out the "Applicant" information for all permit types. The "Depositor" information must be filled out for "Encroachment" and "Grading" permits, but is not required for "Utility" or "Sewer Connection" permits. Please provide "Licensed Professional" information if available.

**Option 1:** "Select from Account" and choose "Associated Contact" info or the "Owner" info and select "Continue"

The screenshot shows the 'Applicant' section of a form. Below the title, there is a sub-header and a text prompt: 'To add a contact associated your registered account, c'. At the bottom of this section, there are two buttons: 'Select from Account' and 'Add New'. The 'Select from Account' button is circled in red.

### Select Contact from Account

The screenshot shows the 'Select Contact from Account' form. It includes instructions: 'Select a contact to attach to this application. If the contact has multiple addresses, you can select which to use in the next step.' Below this, it says 'Showing 1-2 of 2'. There is a table with the following data:

Category	Type	Name
<input type="radio"/> Associated Contact	Applicant	Engineering Division
<input type="radio"/> Associated Owner		CONCORD CITY OF

At the bottom of the form, there are two buttons: 'Continue' and 'Discard Changes'. The 'Continue' button is circled in red.

Or

**Option 2:** Select "Add New".

The screenshot shows the 'Applicant' section of a form. Below the title, there is a sub-header and a text prompt: 'To add a contact associated your registered account, c'. At the bottom of this section, there are two buttons: 'Select from Account' and 'Add New'. The 'Add New' button is circled in red.

Enter the contact information. **Be sure to fill out the phone and email** as this is how permit staff will contact the applicant and provide permit updates. When complete, select "Continue".
